

Single mom. . . . finally received a double lung transplant after a bone marrow transplant years ago that caused **her body to attack them.** Any money leftover is given to her mom who helps with expenses getting **her to doctor's appointments halfway across** the country.

MAKING A DIFFERENCE

Husband broke his back and is unable to work for quite awhile. They have never had to ask for assistance for anything. **Wife is or-**

dered by doctor to not work due to health reasons but they need money and she is the only one that can bring any money into the home to help with the bills.

SPONSORED OVER \$153,000

Single mom. . .

Just graduated from The Well. Is working and uses the Y as a place to reconnect with her daughter.

In 2011 my son was shot and killed. . . . His dream was to be a foster parent, and my husband and I love children. In his memory we take in as many kids as we can.

HELPING OVER 1,700 INDIVIDUALS

Grandpa. . . 66 years old and has custody of his grandsons (age 6 and 13) and is on a fixed income.

6'11" tall man. . .

Has congestive heart failure and is waiting for a healthy heart from a donor his size.

At rescue mission. . .

Single mom with 4 kids that are now wards of the state. Trying to get them back.

CREATING CHANGE TOGETHER
