BEFORE CARE: Parents are able to drop off their kids at school anytime beginning at 6am. Youth can choose to play gym games or pick an activity from the activity cart. School breakfast program is available.

AFTER CARE: Once school is dismissed, youth report to the school gym where attendance is taken and snack is served. Afterwards, there will be reading/homework time, followed by group games, outdoor play, crafts, activities, and free time. Plus, extra fun with holiday parties & fun weeks!

Parents can pick up any time until program ends at 6pm. Kids Club not only meets your daycare needs, but offers a great social experience for your child.
